1. Introduction

This sample stands in for an official guideline. Its headings are numbered and set in Helvetica, while the body text is set in Times at the same size. Opened in mdEditor, the numbered lines become headings and the wrapped lines join into one paragraph.

2. Requirements

The requirements are set out below.

2.1 Definitions

- A definition item, with its bullet set apart from the text.

(1) First condition

The first condition applies to every account.

(2) Second condition

The second condition applies when the first does not.
